Two More States Coming.

The House of Representatives, on Saturday, after a brief debate, passed bills, reported by the Committee on Territories, authorizing the people of MINNESOTA and OREGON to form State Governments preliminary to their admission into the Union. We cannot doubt that the Senate will concur in this action of the House, and that the bills will meet the approval of the President, in which event another year will see two more Stars added to the American Galaxy.

FROM OUR NEW YORK CORRESPONDENT.

NEW YORK, Jan. 27, '57.

The fierce Winter still interrupts the interchange of thought, except along the wires, and the locomotion of persons. Our mails, railroads and even country roads, in some places, fail us and still the cold holds on. Long cycles and short cycles, all seem to have frozen together—and like the tunes in the French horn of the Baron Munchausen, there must be a conglomerate of most mixed material in the numberless letters and papers in arrear, which the first *let-up* in the weather, will, I suppose, thaw out to the wonder and confusion of all.

The recent news from Europe dissipates the war-alarm, both as to Switzerland and Prussia and the possible quarrel with Russia about boundaries. *Napoleon* has intervened effectually in both instances, England playing second fiddle to him, and Prussia relinquishes to the bold Switzers the sovereignty of Neufchatel; the Swiss government yielding, as a compliment to Napoleon, not to Prussia, the point of dismissing the State prisoners without trial—but banishing them nevertheless. So the Paris Conference has settled the dispute between England and Austria, on one part, and Russia on the other—favorably, rather, to Russia, and decidedly unfavorable to the *entente cordiale* between France and England.

A new minister is to come here from England and a Lord too! This, it is expected, will soothe the Democracy—who have a special reverence for titles—as witness the alacrity with which every accidental member of Assembly, or Congress, or even of a Municipal Corporation, appropriates and retains and prides himself upon the appendage of "*the Honorable*," which a most absurd and anti-Republican custom has assigned to such stations. Lord NAPIER, however, will not, it is said, greet the Democratic ears of Mr. PIERCE with his letters of credit, but await the incoming of Mr. BUCHANAN, who has rubbed against Lords in the European Courts, and knows probably, better than Mr. PIERCE, how to treat them. Morever, by this delay, the indignity of the dismissal of Mr. Crampton, is indirectly rebuked by not accrediting the new Minister to the administration which dismissed the old one. The English papers, however, which are becoming more and more alive to the importance that England should have a fit and able representative in Washington, do not augur very favorably of the appointment of Lord NAPIER—not deeming that his experience and antecedents in the Courts of Europe, is at all a qualification for the undisguised diplomacy, which alone is fitting between two free people, such as the English and Americans. I think the objection a good one. Diplomacy indeed, as that word is generally understood, seems almost an absurdity in a country like this, where everything is told out in newspapers and where wise looks and crooked counsels impose upon nobody in the long run. There is indeed so little ground for astute combinations, or management, in the true relations of our country to Europe, that for any good effected by keeping up the expensive parade of a diplomatic corps, the cost seems a great deal larger than the benefit. The press—the *free* press—is the great lever of the world now-a-days; and supercedes in usefulness, though it has not yet done so in name, all the formalities and functions of diplomacy, as in a great degree—so far as forming public opinion and directing it—it certainly has superseded Parliaments and Congresses. It is the real Power of an educated and intelligent People—liable as all power to be abused—yet mighty for good when well and conscientiously directed.

Hence I confess my regret at the course taken by the correspondent of the *Times*, of this city, in the inquiry now in progress by the House of Representatives at Washington. If it was a duty which that correspondent felt, to make the revelations he did to the committee, that he had been corruptly tampered with by Members of Congress, it was most assuredly his duty to designate the corruptors. He was under no obligations to say what he did, but having said it he was bound to go on. There is no code of honor which can bind a man to receive a dishonoring confidence, and every honest man to whom a dishonest proposition is made, is not only at liberty—but, *ms judice*—is bound to reveal such proposition, especially when affecting other parties. I hold the *press* in such high regard, that I cannot bear to see it brought into discredit by such conduct as this of Mr. SIMONTON'S. It was not indeed as editor, or correspondent, that he seems to have been approached, yet it was becase of his opportunities as such that he was thought worth being approached, and hence his conduct reflects on the press. I hope he may be compelled to answer.

CLERKS OF THE HOUSES.—It has always been the custom for the Chief Clerk and one assistant to do all the desk business of the Assembly; but our Republican friends seem to think that this is asking too much, and the business of the House lags so much that the Chief Clerk has been instructed to appoint another Clerk for the dispatch of business. This is one of the measures of "retrenchment" of expenses adopted by our "personal friends," the Republicans. It will of course, be very easy to make the people believe that two clerks are not sufficient for the Assembly, if properly qualified for their positions.—*Madison Argus.*

This very small attempt to make a little political capital is briefly disposed of. Turning to the Legislative reports in the same number of the *Argus* from which the above is taken, we find the following record:

> Mr. M. M. Strong, on leave, introduced a resolution instructing the Chief Clerk to employ an assistant, whose duty it shall be to read all bills, memorials, &c., in committee of the whole, and assist the Chief Clerk generally, and moved a suspension of the rules, that it might be considered and adopted.
>
> It was opposed by a few gentlemen on the ground that it was incurring unnecessary expense.
>
> Mr. M. M. Strong said that his experience in Legislative matters taught him that the force at the Clerk's desk was never sufficient. If the addition of another assistant would expedite matters, so as to save one day, it would pay for services.

It is hardly necessary to say that Mr. M. M. STRONG, who introduced and carried this "measure of retrenchment," is as far from being a "Republican" as the *Argus* is from being reliable. Undoubtedly Mr. STRONG was as competent to speak from "experience" in this matter as any Member of the House.

"Here she Goes and There she Goes."

Two or three weeks since the "other editor" of the *News* thus authoritatively laid down the law in reference to Judge DOOLITTLE'S eligibility to the U. S. Senate:

> A question seems to have arisen among the papers of this State, whether Judge Doolittle would be qualified to serve as U. S. Senator, if elected. There can be no doubt at all on the subject. He would. The clause in our constitution limiting the election to office during the time for which a man was elected to a State Judgeship, is inoperative in this case, and was not probably intended to meet it. It is inoperative if it were, for the U. S. Senate is the judge and the sole judge of the qualifications of a member, governed, of course, by the constitution of the United States, and if our State were to pass a law that no man should be elected who was over thirty, we take it the U. S. Senate would send our young men packing, and tell the State either to send such as were qualified by the constitution of the United States, or else to send none. Were Judge Doolittle sent, the U. S. Senate would receive him without looking at our constitution, which has no more right to limit than it has to extend the qualifications of a United States Senator.

Certainly nothing could well be more emphatic, or explicit than the above, and when we cited it, a few days since, in answer to the *News'* later argument on the *other* side of the question, the only thing to be done was, for one editor to disclaim what the other had asserted. As this, however, left the *News* "divided against itself" and therefore paralysed, a further explanation became necessary. This was given in Saturday's paper, where the "other editor" thus recants the very positive opinion advanced by him less than three weeks ago:

> A PLAIN STATEMENT.—Sometime since the associate editor of this paper, in an article on the senatorial question, declared his conviction that Mr. Doolittle was eligible to the U. S. Senate, notwithstanding the provisions of the revised Constitution. That opinion was formed on account of the decision in the case of Judge Trumbull, which he supposed had settled the matter, at least as far as the course of the U. S. Senate was concerned.
>
> Upon looking more closely into the question he does not see that the decision settles the question here, and doubts whether it settles it in the United States Senate. Nor does he know that the cases are similar.
>
> * * * *
>
> The opinion given, was one not very fully considered, and was very probably *entirely* wrong.
>
> * * * *
>
> Nor does the associate editor now believe the Judge is elected. The votes were pronounced void by the proper authority, and though the decision of the chair was appealed from, no action was taken to prove, or show, the votes not void, &c., &c.

We congratulate our brethern of the *News* upon being of accord again on this point, but venture to advise that when another question arises the senior will "take interest" enough in it to form and express his own views, or the associate refrain from giving an opinion until it has been "very fully considered." With this precaution the organ will utter none but harmonious notes and the faithful be saved from the awkward dilemma of committing themselves fully to an editorial opinion advanced by the *News* one day, only to find it contradicted point blank the next, and formally recanted the third.

FROM MADISON.

Editorial Correspondence of the Sentinel.

MADISON, January 30.

A report made by Messrs. Kingston and Joiner, from a committee of the Senate, furnishes the following estimate of the lumber business of the Wisconsin river and its tributaries above the Dells:

No. of Saw Mills now in operation above said point—counting gangs as one mill only,	107
Estimated average of lumber manufactured, per annum, per mill,	1,000,000 ft.
Total average am't manufactured per annum,	107,000,000 "
Estimated am't of shingles and lath, per annum,	100,000,000 "
Estimated am't of square timber and logs floated down said river, in the raft,	10,000,000 "
Total value of lumber at the Dells, at 15 dollars per thousand feet,	$1,605,000 00
Value of shingles and lath at the Dells at $2,00 per thousand,	200,000 00
Value of timber and saw logs, at $10,	100,000 00
Total annual value	$1,905,000 00

A correspondence between the Senate and the Secretary of State developes the interesting fact that the copies of the laws passed at the two sessions of last year are not yet distributed.—Query—whether the people of the State ought to be very severely dealt by for violations of such laws?

A resolution was introduced in Senate, by Mr. Mills, calling for an inquiry as to the legality of diverting any portion of the receipts from sales of swamp lands from the School Fund; another, by Mr. Davis, as to what legislation is necessary as a consequence upon the developments of the Investigation Committee of last year; and another, by the same, instructing our Congressmen to vote for the repeal of the duties on sugar.

Senator Barber has introduced a bill, drawn up with great care and particularity, providing "for the preservation of the purity of elections." A cursory examination of it has given me a very favorable idea of it. It is intended to clear up and settle the doubts existing in the minds of Inspectors of elections and others, as to what constitutes a "residence," and to provide severer penalties than those which the law now provides, against illegal voting, bribing, the procuring of illegal votes, and corruption at elections generally.

The memorial to Congress, introduced by Mr. Wheeler in Senate yesterday, asking for such an amendment of the U. S. Constitution as would do away with the unequal slave-representation in Congress, received due attention this morning.—The spicy debate in the Assembly on the prohibitory liquor law prevented my listening to the discussion in the Senate, but during a few moments spent in the hall of the latter body, I heard Mr. Simpson, democrat, insist that his party had violated no compromises," and express the opinion that "President Pierce and his measures and policy would go down to posterity with infinite credit." There is nothing in the statutes, that I know of, prohibiting a man from entertaining such an opinion.

In Assembly, some 20 bills were introduced; you have the titles of the more important ones by telegraph, doubtless. Among them was one providing that the Judges shall be appointed by the Governor and Senate, instead of elected.—One of our city bills presented again the abominably long title—an aggravation longdrawn out—which has excited the risibles of legislators so much heretofore. Why not entitle these bills at once as acts "to amend the charter of Milwaukee?"

A resolution introduced yesterday by Mr. Conkey, of Outagamie Co., democrat, brought up the subject of a

PROHIBITORY LIQUOR LAW!

Mr. Conkey being absent, it would have been only fair for the *anties* to wait for his return, and give him a chance to advocate the measure, but several democratic members seemed determined to push the matter to a vote. The resolution instructed the Judiciary Committee to report on the expediency of bringing in a bill for a prohibitory law. Mr. Noggle made

A MOTION TO TABLE THE RESOLUTION.

Mr. Thomas wanted to know what had produced such a change in Mr. Noggle's opinions since two years ago, when he labored for such a law. Mr. Noggle returned the very

SATISFACTORY ANSWER

That he had become satisfied that his democratic friends could not live without their *Lager.*—The vote was taken on Mr. Noggle's motion, and the Assembly

REFUSED TO TABLE THE RESOLUTION

By a vote of 38 to 39; the democrats, in their new born zeal for prohibition, all voting No, and a few of the Republicans with them. Mr. Tenney, Republican, now moved to *indefinitely postpone* the subject, but this was not palatable to the democracy, and

A FREE FIGHT

Ensued, members pitching in according to their fancy. Moses M. Strong wanted to have a bill introduced, so that a vote might be had upon it. He couldn't understand how this question which was a test over two years ago, should now be ignored. Mr. Tenney thought the object of the introduction of the subject was sufficiently plain, and hoped that no time would be wasted on it.

MR. THOMAS KINDLY OFFERS A BILL.

Mr. Thomas, of Fond du Lac, democrat, in his zeal for humanity, had brought up a bill in his pocket, and very kindly offered it for action.—He would not promise to vote for it, however, which was very unkind. Mr. Lovell wanted a decisive vote on the question, as there were but 50 working days left of the session.

AN OLD MAINE LAW MAN'S OPINION.

Mr. Allen, of Iowa, (Rep.,) had been elected on altogether a different issue, and the question had been kept out of the canvass because a union of all men was wanted on the slavery question. Mr. Noggle said that he was elected as a Democrat three years ago, in favor of the law, and his constituents would be in favor of such a law now, if it could be made operative.—They asked for the law *then*, but there were no petitions *now*.

Mr. Reymert (dem.) was very pertinacious on the subject.

THE PREVIOUS QUESTION MOVED.

Mr. D. Williams moved the previous question, but withdrew it at the earnest remonstrance of Mr. M. M. Strong, who wanted some "more fun" out of the resolution.

Mr. Hastings, as an old Maine Law man, said he had voted against tabling, because he wanted division enough to show why the question was raised.

FRED. HORN WANTED TO KNOW

Whether the "Black Republicans were going to back out from their Maine Law principles" as they had from everything else?

FRED. IS EASILY SATISFIED,

For Dr. Maxson tells him that there was one thing the Republicans didn't back out from, to wit:—the cleaning out of the "Forty Thieves!"

Mr. Robbins, of Grant, and Messrs. Hotchkiss, Noggle, Earnest, Waite, Strong and Ostrander further kept-the-ball-a-rolling-on, when Mr. Mills of Grant proposed a philosophic substitute.—Mr. Lovell proposes an amendment, so as to have

A MORE DIRECT VOTE

To be acted upon. He moved to change the resolution so as to *instruct the Judiciary Committee to bring in a bill*, and now

THE PREVIOUS QUESTION

Was moved by Mr. Hutchinson and ordered.—Mr. Mills' substitute was lost, 9 to 69, and then, to the great dismay of the democratic friends of the Maine law,

THE ASSEMBLY REFUSED TO INSTRUCT THE COMMITTEE,

By the following vote—Republicans in Roman, Democrats in *italics*:

Ayes—*Barnes*, Barron, Bartholomew, Cairncross, *Clark*, Converse, *Cunningham*, *Fagan*, Fields, Howe, *Morse*, Waite—12.

Noes—Allen, Anunson, Atherton, Barnett, *Bartlett*, Burgess, Catton, Cameron, *Chappel*, *Conklin*, Davison, Dean, *Earnest*, Enos, Evans, *Emory*, Fisher, Foster, Gulick, Hastings, C S. Hawley, Hayward, *Horn*, *Hotchkiss*, Hutchinson, Jenkins, Johnson, *Knowlton*, Langworthy, Lewis, Lovell, Main, *Mason*, Maxson, McAllister, Mills, *Moscowitz*, Nelson, Noggle, Ostrander, Phillips, *Potter*, *Reymert*, *Reynolds*, Robbins, Rood, Sawyer, Stevens, G. Strong, *M. M. Strong*, Sugden, A. Taylor, Tenney, *Thomas*, Thompson, Train, *Vollmar*, Voorhees, Wakely, *Walker*, *Walters*, *J. White*, *Wilber*, D. Williams, J. J. Williams, Spooner—65.

Recapitulation—Ayes, 7 Republicans, 5 Democrats.

Noes, 45 Republicans, 20 democrats.

It will be seen that our democratic friends did not sustain themselves very well in their struggle for the Maine Law.

The Waupacca case comes up to-morrow, the committee having reported unanimously in favor of Mr. Phillips' right to his seat.

MILWAUKEE, Jan. 31 '57.

MESSRS. EDITORS:—A short time since, while a train on the La Crosse Rail Road was running at a dangerous rate of speed, in order to make time, some of the cars ran off upon a side track, and suddenly killed two men. By the death of one of them,—a young and delicate woman,—and her child, a few months old, are left without a protector and in destitute circumstances. I have been informed that the woman applied to the company for aid, and that they offered her *five dollars!!* and finally refused her even that miserable pittance, because she would not sign a receipt! What woman would accept *five dollars* for the life of a kind and worthy husband?—What *man* would offer so paltry a sum? Is it possible that a wealthy company, the recipient, by their own acknowledgement, of a gift worth *ten millions of dollars*, can be so parsimonious and inhuman? I hope for the credit of humanity that I have been misinformed.

Yours respectfully, R.

The Contested Election Case.

We were quite confident, when we read the *Argus'* statement of the contested case in the Superior Assembly District, that it was a garbled and partizan version of the matter. And so it proves; as the following communication from the sitting member to the Madison *Journal* abundantly shows:

ASSEMBLY HALL, MADISON, Jan. 28, '57.

EDITORS STATE JOURNAL:—

Gentlemen:—The article which appears in the *Argus & Democrat* of yesterday under the head of "*Contested Seat*" is a tissue of falsehoods throughout.

1st. Capt. Markland was not elected a member of the Assembly.

2d. He had no certificate of election in his pocket or elsewhere.

3d. Mr. Strong did not obtain a certificate by any other process than due process by law.

4th. He did not post off to this city until the 4th day of January 1857, up to which time no official election return had been received at Hudson from La Pointe County.

5th. Mr. Strong is not a member of the committee on Privileges and Elections, and therefore the cry raised against the Republican majority in the House is but a miserable bowl of this miserable pup of the Border Ruffian party in this State, out of which to make a little political capital.

I assert, and can prove, that a majority of the votes cast for Capt. Markland in La Pointe County were cast by Indians who belong to the Chippewa tribe, draw annuities, and never have been declared citizens of the United States by any law of Congress, and also that the official return of the votes cast for Markland in Douglas County is ten less than that produced by him here.

Yours, truly,

GEO. STRONG.

THE RAILROAD EMBARGO RAISED.—Yesterday a train came throught from Cairo, the track from Freeport down having been cleared of snow and ice, with much trouble and at great expense.—This is the first train from the South that has reached here *for several weeks*. It is probable that we shall soon have a sufficiency of coal, and use our gas-burners once more.—*Galena Advertiser*, 28th.

Those of our citizens who have felt disposed to scold at our Wisconsin Railroads, for occasional failures during the late severe weather, will see from the above that "*for several weeks*" no trains arrived at Galena over the Illinois Central Railroad.

The Chinese Sugar Cane.

In the January number of the *American Agriculturist* we find the following remarks and suggestions in regard to the Chinese Sugar Cane:

> Although we have really high *hopes* of the Chinese sugar cane, we frankly confess that we are not so confident in our opinion, as to recommend our readers to enter *largely* into its culture *before* the results of another year are known. We have on our desk some samples of syrup made from the plant in Georgia, and also on Long Island, N. Y. That made on Long Island has been pronounced by many persons who have tasted it, as fully equal to maple molasses, and yet it was manufactured by those knowing little or nothing of sugar-making. The juice was pressed from the stalks with two rude wooden rollers, and then boiled down in a brass kettle; the large quantity obtained is quite surprising. Our own experiments have been already briefly described. Mr. Peters, of Atlanta, Georgia, who experimented so largely, wrote us recently that we could not say too much in its favor. Many others in different parts of the country tell us the same story. Several persons say that cattle, and especially swine, eat the plant at all stages of growth with great eagerness. We kept our own plants for seed, and to give away as specimens of the stalks, and did not try them for feeding.
>
> On the contrary, however, a few intelligent persons assure us that *their* cattle, would not eat the stalks at any stage of growth, though the leaves have been greedily devoured. If only the leaves will be eaten, the plant will not be so valuable for fodder. We trust there is some mistake on this point with those who have not found it relished by cattle, as their experience has been different from that of many others.
>
> Everything considered, we advise all who can to try a small plot next season, even as far north as Canada East. A few square rods, planted at the same time, and cultivated like corn, will involve very little expense. It will be an interesting experiment, at least, and will furnish abundant seed for another season, should it be wanted.
>
> We have already secured a large amount of seed, and are getting new supplies. Two packages are on the way from Europe, which we shall receive this month, if they meet with no accident. We can certainly distribute some two hundred seeds (FREE) to all subscribers to the Agriculturist who desire it, and who will furnish a stamped and directed envelope to send it in; and perhaps we can increase the amount to three or four hundred seeds.

The *Agriculturist*, by the way, is an excellent paper, being reliable and *practical*. It is published and edited by ORRIN JUDD at No. 191 Water Street, New York, for *one dollar* a year, in advance. Our farmers, who wish to try the Sugar Cane experiment—and we hope many of them will do it—can obtain a supply of seed and the *Agriculturist* for a year, by sending $1,00 and a 3 cent stamp to the address above given.

NOW AND THEN.—The opposition press abounds just now with denunciations of the Republicans of the Legislature, for over-riding the Constitution in electing Judge Doolittle. None seem to bear up under this affliction with less of Christian resignation than our Border Ruffian friends of the Milwaukee *News* and Janesville *Standard*.

We cannot help remembering that their particular friend, Judge Larrabee, of Ozaukee, was a candidate for the Democratic nomination for Congress in the Third District last fall. He went into the Democratic Convention, and came very near getting the nomination. He had a plurality of the votes if we mistake not. The *News* said never a word in condemnation of this—according to its present construction of the constitution—evil example, which may have been the inciting cause of Judge Doolittle's aberrations. Where were its thunders then? Why did it not denounce Judge Larrabee and those who supported him, for a shameless disregard of the constitution? On the contrary, we think it rather favored his nomination, and feel assured that it would have given him a cordial support. Thus it is very evident that there is a vast difference between tweedle-dum and tweedle-dee—a great deal more than plain, practical people ordinarily suppose.—*Madison Journal.*

Prohibitory Liquor Law—The 'Unterrified' getting Rampant.

It will be seen, by our legislative reports, that the regular Border Ruffian Democracy in the House are urging the passage of a prohibitory liquor law. All through the campaign last fall, in the German counties, the changes were rung with endless iteration, upon the charge that the Republican party was in favor of the enactment of a prohibitory liquor law, and, if successful in securing the the Legislature, that such an act would be passed. No Republican in either house has taken any step towards such an enactment. On the contrary, the first move in that direction has been made by one of the regular "democracy," and sustained by the "democratic" minority in opposition to the whole body of Republican members.

A resolution instructing the judiciary committee to report a prohibitory liquor law, was lost in the Assembly this morning by the emphatic vote of *sixty-three noes and twelve ayes*. Thus the false charge made by the Sham Democracy against the Republican party that as a party it is in favor of the enactment of a prohibitory liquor law, is negatived in the most emphatic manner.

What will the democratic strong-holds of Milwaukee and Ozaukee say when they hear of the defection of the champions of the cause of whiskey? Those who have hitherto denounced the Maine Law as the sum of all tyrannies and injustices, take the lead in instigating and encouraging a renewal of the agitation on the subject! Let Best's Hall be hung with crape, and the "veto pen" taken down from its consecrated and honored position in that orthodox establishment to write an anathema upon them.—*Madison Journal.*

JUDGE DOOLITTLE ELECTED.—In another part of our paper will be found a condensation of the circumstances attending the election of Hon James R. Doolittle, as United States Senator for Wisconsin, to take the place of Hon. Henry Dodge, the present incumbent. Although, personally, we should have preferred the election of another of the candidates prominent before the Republican party, yet we have secured our second choice and are satisfied, perfectly satisfied, with the election.

Judge D. has won golden honors as a man, both in his official and unofficial capacity, and as Judge of this judicial circuit, has been highly respected and honored by our citizens.—*Monroe Sentinel.*

UNITED STATES SENATOR.—It is with pleaure we learn that Hon. J. R. DOOLITTLE, of Racine, has been elected U. S. Sentor, by the Legislature of this State, for six years from the 4th of March next, in place of Hon. HENRY DODGE, whose term expires at that time. We have been well acquainted with Judge DOOLITTLE for many years, and we feel confident that he possesses abilities that will give him a high position in the most dignified legislative body of the nation. We shall expect to see him stand side by side with HALE and WILSON and SUMNER and SEWARD and Wade, against whom the mad waves of Slavery may dash in vain. In his election Wisconsin has done equal credit to herself and honor to the man.—*Wisconsin Mirror.*

COUNTERFEITS ON THE ROCK COUNTY BANK.—Mr. J. B. Crosby, Cashier of the Rock County Bank, of this city, exhibited to us this morning a $1 bill on that bank, which had been most ingeniously altered to a ten. The X instead of the 1 on the corner of the bill, was admirably executed, and calculated to deceive the most experienced. The word one, written in large letters in red ink on the face of the bill, had been extracted by a chemical process, and the word ten, also in large letters, filled in its place. It is the first of its kind that has come to the knowledge of the Bank, and was received in a package from a distance. This Bank has never issued any ten dollar bills of its own money, and of course none of that denomination are genuine.—*Janesville Standard.*

Snow Bread.

We find the annexed paragraph in one of our exchanges. It is curious, if true:

> All persons, where snow abounds, are not perhaps aware of the value of the fleecy cakes in making light, delicious and wholesome bread.—There is no "raising" in the world so perfectly phisiological as good, fresh, sweet snow; it raises bread or cakes as the best yeast, or the purest acids or alkalies, while it leaves no taint or fermentation like the former, nor injurious neutral salt like the latter. Indeed it raises by supplying atmosphere wherewith to puff up the dough, while the other methods only supply carbonic acid gas.

NORTH RIVER FROZEN.—People crossed the North river on the ice as low as 42d street on Sunday. The frozen surface appeared not to be floe ice, but the salt water itself was congealed. A great number passed over between 42d and 86th streets back and forth. It is said also that six persons crossed to Hoboken and back.—*N. Y. Express*, Jan. 26th.

HOOPS VS. CRINOLINE.—Pray insert the enclosed from the Weekly Journal, or Saturday Post, April 26, 1718:—"One day last week a gentlewoman unluckily stopping to buckle her shoe at a linen draper's shop, her hoop petticoat of more than ordinary circumference, flew up, and an arch little chimney sweeper passing by at the instant immediately conveyed himself under the machine, and with a loud voice called out sweep, sweep; the gentlewoman, being affrighted, leaped back, the boy struggling to get out threw madam in the dirt, and with much ado the devil got away, and left the lady in no small confusion."—*Notes and Queries.*

Receipts of produce generally will doubtless increase with this weather. lot of 2,000 dressed hogs were offered at $7,50 ℔ 100 lbs, delivered at Burlington, Iowa. Here they are held at $8, but only $7,50a7,75 is paid.

A number of Michigan millers are here, and give advanced rates for choice spring wheat, or 93a95c, delivered to Central Michigan depot; while buyers to store cannot get it under 92c. Millers are not buying red, but it go it to store at $1,05 and white at $1,18.

PHILADELPHIA, Jan. 18, 1853.

Dr. C. M. POLICE COURT, JANUARY 31.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

Wm. Hillard, drunk, an old offender, fined $3. In default sent to jail for 10 days.

John McCormick, drunk, in default of $1, sent to jail for 5 days.

John Maloney, convicted of an aggravated assault and battery upon his wife, was sent to jail for 30 days. The defendant left the Court stating that he was glad to get away from his wife for 30 days, even if it was in jail, and vowed he would kill her when he came out.

STEALING GEESE.—John Duane and George Kain were brought down from jail to be tried on a charge of stealing two geese from a farmer named Amos A. Baand, while on Huron Street with his sleigh.

After considerable lobbying all around, the Court said: "In the case of the State vs George Kain, a *nol pros* will be entered—the case of the State vs John Duane will come up at 2 o'clock." Kain was then discharged, upon what ground we were unable to learn.

The case of the City vs David Miller, charged with disorderly conduct, came on. A jury of 12 were summoned to try the cause, but after several ineffectual attempts to get the "dozen" together, the case went to trial with six jurors.

The Jury in the case of the City vs Miller, were unable to agree, standing 3 for guilty, and 3 for not guilty. They were then discharged, when the City Attorney discontinued the case, and the defendant was set at liberty.

THE GOOSE QUESTION.—John Duane was convicted of stealing two geese, and sentenced to 30 days imprisonment in the County Jail.

Closing the Eastern Mail.

In consequence of the change of time in the starting of the Lake Shore R. R. trains, the Eastern Mail, from and after to-day, will close at 1¼ P. M. and at 10 P. M.

Extortionate Charges.

To the Editor of the Sentinel:

SIR—I think the person who has made the accompanying charges for one week's board and lodging, for myself and maid, is probably insensible to shame, and therefore the publication of his extortion will not affect him, while it may afford at least the amusement of astonishment to your citizens.

I am, Sir,
Your Obedient Servant,
FANNY KEMBLE.

MILWAUKEE, Jan. 31, 1857.

MRS. KEMBLE— *To Walker House,*	*Dr.*
To one week's board and room, self and maid, $2,50 and $2,00	$31 50
Telegraph 40c—stamps 37c.	
Bar 25c—use of Piano $10,00	11,00
Fires $7,00—extra parlor $42,00	49,00

Received payment .... E. BUTTON.

The 25c put down *Bar* is for three lemons, which I asked for on the occasion of having duck for dinner. In Chicago I had a new piano forte, sent from a music store, for a fortnight, and the charge for it was *three dollars*. In Boston I had a grand piano forte, *quite new*, from Messrs. Chickering; the charge for which was *six dollars for a month*.

"IMMENSE SACRIFICE."—Mr. J. N. BONESTEEL, No. 167 East Water Street, talks to the public through our advertising columns, this morning, in a manner not to be misunderstood. Mr. B. is selling off his entire Fall and Winter stock of dry goods at cost, and will continue to do so until the 15th of March next, in order to close up his retail business, and remove into his new store. Mr. B. has come up with Milwaukee, "grown with its growth," and in order to keep up with the times, he is now completing a magnificent new store, which he intends to devote exclusively to the wholesale business. The present is an excellent opportunity, and one which will not present itself every day, for those who want to purchase any thing in his line at a bargain, and we would advise all who can to improve it.

REV. MR. RICHMOND'S LECTURE.—There was but a small audience at Young's Hall, Saturday evening, to hear Mr. RICHMOND, but those who did go were richly entertained. Mr. RICHMOND is a graphic narrator, and rivets the attention of his hearers. No doubt the extreme cold kept many at home who would have gone to the Lecture had the weather been milder. Mr. RICHMOND will lecture again *to-morrow* (Tuesday) evening, on the condition of Hungary and will conclude the narrative of his personal adventures.

COMMON COUNCIL.—The Common Council held a meeting Saturday evening. The application of the Milwaukee & Lake Superior R. R. Company for $100,000 of City Bonds was referred back to the Railroad Committee. The Chief of Police was instructed to notify all persons to chop out the gutters. A number of plats were received and sundry accounts referred. Adjourned till this (Monday) evening at 7 o'clock.

LAKE SHORE RAILROAD—CHANGE OF TIME.—From and after *to-day* the Passenger Trains on the Lake Shore Railroad will leave here at *half past eight* in the morning and at *three o'clock* in the afternoon. The freight train leaves daily (Sunday's excepted) at 7.15 A. M.

MASQUERADE BALL.—It will be seen by our advertising columns that the Milwaukee Ladies Society will give their third annual Grand Masquerade Ball, in the new and elegant Hall of "the Albany," on Wednesday week. It cannot fail to prove a most attractive and amusing entertainment.

CITY AUCTION ROOM.—Messrs. L. Stanton & Co., sell to morrow morning, at corner of Wisconsin and East Water Streets a heavy draught horse, a large quantity of dry goods, and many other kinds of goods, all very good, no doubt, and very cheap, too. See their advertisement.

VESSEL SALE.—One third of the schooner *Hans Crocker*, of this Port, (now at Buffalo,) was sold last week for $6,000, being at the rate of $18,000 for the vessel.

MUSICAL SOCIETY CONCERT.—The 70th Concert of our Milwaukee Musical Society will be given at Young's Hall *this* evening. The programme—which see in our advertising columns—abounds in choice selections.

Cleanse your Blood.

If your blood requires cleansing, use one of Merrick's Sugar Coated Pills every other night. One box costing 25 cents, used in this manner, will be of more service than gallons of syrups, concocted by nobody knows who, and from nobody knows what. Merrick's Pills are reliable. They have sold on their merits nineteen years.

ALL NOTARIAL BUSINESS EXECUTED WITH DESPATCH AND ACCURATENESS.

OFFICE—CITY AUCTION ROOM,
Corner East Water and Wisconsin Streets.

A Rare Chance.

WE offer for sale, on account of ill health of the owner, one of the best and most profitable business stands in the beautiful and thriving city of Monroe, Wisconsin. The stores are in the immediate neighborhood of the railroad depot; one containing a full and general assortment of all kinds of Groceries, Provisions, Boots and Shoes, Fancy Articles, etc., and the other, a general assortment of Wines and Liquors.

Since the business has been established it has enjoyed a very liberal patronage, and has, at present, more than five hundred steady well paying customers.

As the whole will be sold at a very reasonable price, and on easy conditions, any one who wants to engage in business can make no better investment than the above.

Also in the same place 80 valuable building lots, all in the vicinity of the railroad depot.

Also a farm of 40 acres, all improved, two miles south of the city of Monroe, at $55 an acre. We have also for sale, or to exchange for dry goods, ready-made clothing, boots, shoes, etc., four beautiful and valuable building lots in the fast go-ahead city of Beaver Dam—one of the best inland business places in the State. The lots are situated on Spring Street in the vicinity of the Empire Mills and the Baraboo and Beaver Dam R. R. Depot. Title perfect.

Also one lot 165 by 53, on front street, with a new frame house 28 by 18, cellar, cistern, stable, etc. The house will rent for $100 a year. The same will be sold at a very low price and on very easy conditions; also in the beautiful and romantic village of Milton, Rock County, the well-known tavern-stand, known as the "Du Lac House," with all the appurtenances, barn, stables, buildings, etc., at a good bargain.

Improved and unimproved farms of every description, and in all parts of the State; building lots in every Ward in the City of Milwaukee.

As we received advices from our Agent in Germany of numerous emigrants arriving this spring, land owners will find it to their advantage to give us their list of lands for sale, as early as possible. We are now ready to locate lands in any County of the State, to the best advantage.

All business connected with the General Land and Real Estate Agency will be attended to, confidentially and faithfully.

SALOM'S MERCANTILE COLLEGE!

A Perpetual Ticket for $25!

GENTLEMEN desirous of acquiring a thorough Mercantile Education, are assured that the advantages presented at this institution are unsurpassed.

The Principal takes this opportunity to acknowledge the courtesy of several of the most distinguished Shipping and Jobbing Houses in the East, who recently allowed him to examine their books, besides explaining many original plans for economizing labor, which, adopted as in some instances after the experience of half a century, may be justly designated the *ne plus ultra* of the art.

These advantages, granted upon Mr. SALOM'S long practical experience in a variety of Counting Houses, have enabled him to elaborate a novel and valuable series of transactions, introducing all the great heads and ramifications of mercantile routine to be actually developed by the student. A perpetual ticket confers the privilege of instruction in Book-Keeping at all times, as well as tuition in Writing, Mercantile Calculations, Law, Correspondence Forms, &c.

The Surveying and Mathematical department is in progress during the day and evening.

WASHINGTON, Jan. 31.

HOUSE—continued.—Mr. Grow from the committee on Territories, reported a bill fixing the boundary of Minnesota, and authorizing the people thereof to form for themselves a constitution of State Government. The bill provides for the admission of Minnesota into the Union on a footing with the original States according to the federal constitution, and for an election to be held on the first Monday in June for delegates to a convention to form a state constitution, and in the event of the people deciding in favor of a State Government the Marshall shall proceed to take a census of Minnesota with a view of ascertaining the number of representatives she is entitled to under the present census. The same provisions are in this bill as in former ones of a similar character, relative to public lands for education, &c., to be assented to as obligatory on both Minnesota and the United States. Mr. Grow said the proposed State embraces 70,000 square miles, leaving west of the boundary line 90,000 square miles to be hereafter erected into a Government by the Indian name of Dacotah. Mr. Phelps did not desire to impede the progress of the bill, but wished to know how much of the proposed territory lies on the west of the Mississippi river; Mr. Grow replied about three fourths.

Mr. Phelps said Mr. G. had frequently advocated the sanctity of compact, and he (Phelps) wished to know whether Mr. Grow believed in the sacredness of the ordinance of 1787. Mr. Graw replied certainly. Mr. Phelps resumed saying that by the 5th article of that ordinance, provision was made for five States out of the northwest territories which have long since been organized, now another was proposed. Mr. Grow thought this came with a bad grace from Phelps, considering the Platte County, was taken and included within the limits of Missouri. Mr. Phelps explained he did not regard the ordinance of 1787 or compromise of 1820 as sacred compacts. Mr. Boyce asked whether Minnesota had sufficient population for a State. Mr. Grow said would be about the size of Missouri, and that her population is between 175,000 and 200,000 persons.—A motion to table the bill was then voted down by a large majority.

WASHINGTON, Jan. 31.

Additional to Noon Senate.—A debate followed respecting the policy towards the Indian tribes on the Pacific coast. Amendments were then agreed on appropriating $700,000 for restoration and maintenance of peace, &c., in Oregon and Washington Territories.

Without further action on the bill, the Senate took up and passed Mr. Houston's resolution, calling on the President to furnish the numbers and causes of desertions from the Navy, since the passage of the act providing for the efficiency of the Navy. Adjourned.

House—The Minnesota bill was then *passed*, by a vote of 98 against 74.

Mr. Grow, from the committee on territories, reported a bill for the relief of the people of Kansas, declaring all purported laws passed by the legislature assembled at Shawnee Mission, null and void, for reasons that the members thereof were elected through violation of the Organic Act; and usurped powers, enacted cruel and oppressive Statutes. The bill provides for holding a new election; and any person offering his vote must prove by his own oath he is a bona fide settler, and by the oath of two legal voters, that he has been, for more than one month preceding the election, an actual resident of the territory, and fifteen days a resident of his election district. Fines, from $2000 to $2,500 and imprisonment from one to twelve months, to be passed on illegal voters, disturbance or control of the polls by armed or organized bands, and for willful reception of illegal votes by those appointed to receive them.

Mr. Clingman moved to lay the bill on the table, but the House refused to do so by a vote of 86 against 92.

Mr. Kunkle said he could not consent to sweep away the whole code of Kansas laws, and appealed to Mr. Grow to withdraw his demand for the previous question, that he (K.) might offer a substitute repealing all obnoxious laws.

Mr. Campbell of Ohio, wished to make an amendment allowing none but citizens of the U. S. to vote. Mr. Letcher wanted the bill to go where it could be seen and discussed. Mr. Grow moved that the bill be recommitted, pending which the House took up the bill authorizing the inhabitants of Oregon to form a constitution and State Government preliminary to admission into the Union. The provisions of the bill with the exception of the boundaries are similar to those in the Minnesota bill, it gives one representative to Congress.

Mr. Grow said the bill gives Oregon 56,000 square miles and that the population was about 90,000. Mr. Whitney wished to confine the voting to citizens of the United States; he would do what he could to prevent others from making constitutions for American citizens. Mr. Lane replied that the laws of Oregon did not allow aliens to vote nor do they claim that privilege.—Mr. Humphrey Marshall offered an amendment, which was agreed to by a vote of 71 against 49, confining the suffrages at the election for delegates to frame a constitution to citizens of the United States. The bill subsequently *passed*, and the House adjourned.

Advices from Tampico state that on the 13th inst. a battle was fought between Garcia's troops and the government forces. The former claimed the victory. The affair took place at Old Town, which had previously been completely pillaged by the invader. Garcia is said to be advancing on Tampico, where another battle was expected. The American Consul had requested the Collector at New Orleans to send a revenue cutter to Tampico for the protection of the American residents and to prevent the pillage of the town.

NEW YORK, Jan. 23.

A tremendous storm is raging here, accompanied by snow and sleet.

The steamship James Adger sailed at 12 o'clock last night, for Hampton Roads. She is sent out by the board of underwriters for the purpose of affording relief to the ship Samuel Russell, and about 40 other vessels which are there, fast locked in the ice, short of provisions, and with disabled crews. Capt. Faunce, of the U. S. revenue cutter Washington, goes out on her by order of the government, with about 30 men, to render assistance. The steamship is supplied with a quantity of provisions, sufficient to afford necessary relief, not only to the distressed vessels at Hampton Roads, but also to others that she may happen to fall in with on the passage.

Herald Correspondent. — The investigating committee had before them to-day Mr. Close, a member of the bar here who proved to be a Know Nothing.

Messrs. Welch, of Conn., and Gilbert, of N. Y., were furnished with copies of the testimony against them, and an opportunity offered them to explain. They appeared to-day before the committee and were confident of a successful defence.

It appears to be conceded that no case will be made against Mr. Edwards, of N. Y., as Mr. Payne says he only inferred, and Mr. Edwards explains.

The investigating committee are prosecuting matters as rapidly as possible, with a view of making their report next week. They have notified members of Congress, who are implicated that they will shortly be called upon to answer the charges made against them.

SENATE.—On motion of Mr. Bigler, the bill providing for the survey of the Ohio river and its principal tributaries was made the special order for Monday next.

The consideration of the Indian appropriation bill was resumed.

Mr Hale commented in severe terms on the conduct of Gov. Stevens in proclaiming martial law and arresting Judge of the Federal Court of Washington Territory. He was opposed to placing a single dollar in the hands of such a man, and thought that since the days of Roman supremacy, no outrage equal to this was ever perpetrated in the most remote province of the empire.

HOUSE.—Mr. Grow, from the committee on territories, reported a bill fixing the boundaries of Minnesota, and authorizing the people thereof, to form for themselves a Constitution and State government.

River News.

ST. LOUIS, Jan. 28.

The ice at the upper end of the landing gave way last night, and moved between two and three hundred yards, tearing away Grandles' Marine Railway, on which the steamer Montana was lying, letting her stern into the water, leaving her in a dangerous position. The weather to-day has been warm and pleasant.

Although the ice is still firm, a speedy breakup is evidently approaching.

At Cairo, heavy ice is running out of the Ohio. The Highflyer arrived yesterday badly damaged. She did not sink as was reported. The Niagara has been raised.

No boats have arrived from below for several days. The Fashion will leave for New Orleans tomorrow. Freights are plenty, tonnage scarce, prices high.

The river has risen two feet. The ice is still firm enough for vehicles to pass over.

There was a meeting of the Steamboat men yesterday, upon the practicability of moving the boats from the levee to a place of safety.

A dispatch from Cairo says that the gorge between there and Paducah broke loose last night.

INSTRUCTION.

ENGLISH AND MERCANTILE ACADEMY,

No. 49 Wisconsin Street, Milwaukee, Wisconsin.

THE PRINCIPAL RESPECTFULLY informs the Public that the Winter Term of this School commences, Monday, December 8th, 1856.

This Institution has been in successful operation for seven years. The Academic year comprises 4 terms of 11 weeks each, the first commencing on the 2d Monday of September.

The whole number of Students in attendance at present is 69.

PRIMARY DEPARTMENT.

A competent Female has charge of this department, and children are received at any age.

THE LADIES' DEPARTMENT,
IN A SEPARATE ROOM,

Is under the superintendence of Miss W. A. HALL. Young Ladies recite in Prof. L.'s classes in English Grammar, Rhetoric, Composition, &c., and are taught a neat and fashionable style of Writing. Instruction is given in Embroidery, Drawing, Music, Latin and German, and scholars are taught to read, write and converse in French daily.

C. F. L. takes pleasure in announcing to his friends and patrons the prosperity of this department during the past year. He pledges himself that it will be his constant aim to secure the greatest amount of intellectual and moral improvement, to those entrusted to his care.

COMMERCIAL DEPARTMENT.

This department is under the immediate charge of Prof. Larigo. Instruction is given in all the branches of a thorough English and Commercial Education, including the Higher Mathematics, French, Latin and German Languages, and is designed to prepare youth for college or for business. Perfect facilities are afforded to young gentlemen for acquiring, in the most expeditious manner, a thorough knowledge of Commercial Science as practically employed in the Counting Rooms and Business pursuits generally.

The Full course embraces the most approved and practical forms for keeping Books by Double Entry, in the various departments of Trade and Commerce, including general Wholesale and Retail, Mercantile Exchange, Commission, Shipping, Individual Partnership and Compound Company Business with Commercial Correspondence in English, French and German. The Student is taught to copy all manuscripts in a bold and rapid hand, which serves as a great auxiliary to him in securing an excellent style of writing—a hand writing in every respect adapted to business pursuits is also warranted to every student who takes a full course with a Diploma.

Through the extensive business acquaintance of the Principal, many of his students obtain profitable situations.

Lady's and Gentlemen's French Class at 4½ P. M.—Latin Class at 7½ A. M.; German Class at 3 P. M. Evening Classes in Book-Keeping, Writing, &c., from 7 to 10.

Students admitted any-time, day or evening.—For further information see Circulars.

dec4-d184-d1y C. F. LARIGO, Principal.

LESSONS IN Foreign Languages.

MR. AND MRS. L. S. B. DE CRETY, from Paris, for four years past instructors in foreign languages in Milwaukee, have the honor to inform the public that they will form classes in the French, Italian and Spanish Languages on the 1st of September next. The course of instruction will be according to the age and intelligence of the pupils, and the classes kept entirely separate, their house being arranged with that view.

Gentlemen and ladies who begin to speak either of these languages, can receive lessons in Reading and Conversation, Mr. De Crety furnishing books of the best French authors. Those too wishing to learn vocal music in either of those languages, will find a competent music teacher in the establishment.

The hours of instruction will be from 8 to 11 o'clock A. M., and from 2 to 5 P. M.. And in the evening from half past 6 to 8, for conversation.

Mr. DE CRETY will also give lessons in French, Spanish and Italian, at his office, to gentlemen only, from 7 to 10 o'clock in the evening, as also lessons in Fencing, the use of the Sword, and all military exercises. Persons of delicate constitution and feeble temperament, as also those confined to their offices and engaged in sedentary pursuits, will derive from these exercises, improvement in their health, acquire strength in their limbs and find an agreeable recreation.

Mr. De Crety will also form similar classes for children, from 10 to 15 years old, at his house, or office, as parents may prefer. Fathers and mothers who desire to see their children strong, active and robust, can judge for themselves, after a few weeks trial, as to the effect of these different exercises upon their health.

The continued patronage of the public is respectfully solicited.

TO MERCHANTS.—Mr. De Crety will take charge of French correspondence to all the principal cities of France and will procure all Price Currents that they may want.

BAYLIES & LINCOLN'S Milwaukee Commercial College

212 and 214 East Water St., MILWAUKEE, - - WISCONSIN.

THE proprietors of the Milwaukee Commercial College would respectfully announce that the liberal patronage that has been extended to this deservedly popular enterprise has led them to extend the field of study, so that it will embrace every branch of a thorough Commercial Education. As there are no classes formed in any department of study—(thereby enabling the student to enter any time, each one receiving separate instructions)—the student, on entering, is placed in the Counting Room, with actual transactions to work from, thus making his education not merely theoretical, but practical to the last degree. The Commercial Course comprises Book Keeping by Double Entry, in its various forms, as adapted to Wholesale, Retail, Commission, Manufacturing, Custom House, Banking, Railroading, in stock partnership, and compound Company business, Commercial Calculations in per centage, Exchange, Bank and Regular Discounts, Averaging, Accounts by Simple and Compound Equations, &c., according to the most approved methods. Commercial Correspondence, including account sales, account currents, drafts, bills of exchange, &c., &c.

Also, a perfect system of detecting Counterfeit Bank Notes, will be given to each student.

A good Hand Writing guaranteed to every person completing a full course.

During the Seasons, Lectures on Commercial Law will be delivered by eminent legal and business men, and no pains will be spared to make this department particularly attractive.

The Reading Room will be supplied with the various Daily and other papers and publications.

Particular attention will be given to Ladies who may wish to acquire a business education, and separate rooms have been beautifully fitted up for their use.

Merchants and other business men are informed that, at any time, by a few days' notice, they can be supplied with competent Accountants, and young men will be assisted in procuring situations when desired.

For terms and other particulars please address

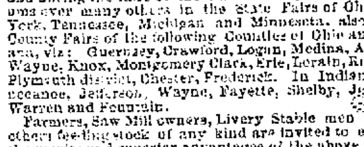
Every Man his own Miller.
PORTABLE CAST IRON GRAIN MILL.

Young America Improved and Perfected.



THE above mill was patented by Charles Leavett, of Ill., Feb. 27th, 1855. This mill took the first premium at the Ohio State Fair, 1855, over all other mills, and during the fairs of the fall of 1856, the first premiums over many others in the State Fairs of Ohio, New York, Tennessee, Michigan and Minnesota, also, at the County Fairs of the following Counties of Ohio and Indiana, viz: Guernsey, Crawford, Logan, Medina, Ashland, Wayne, Knox, Montgomery Clark, Erie, Lorain, Richland, Plymouth district, Chester, Frederick. In Indiana, Tippecanoe, Jefferson, Wayne, Fayette, Shelby, Jennings, Warren and Fountain.

Farmers, Saw Mill owners, Livery Stable men and all others feeding stock of any kind are invited to examine the merits and superior advantages of the above mill.

The Young America will grind as much corn in the cob, shelled corn, oats, barley, and all other grains for stock as any mill of the same size and with much less draft.

What we claim is great strength, durability and simplicity, being so simple that a child can learn to grind with safety.

In the next we claim the small expense to renew the grinding parts of the mill, and the ease with which the grinders are put on the mill, at a cost of not over three dollars, which makes it superior and more economical than any other mill. The grinding parts of the above mill are made of the hardest of cast iron, as hard in fact as cast steel can be tempered. Each set will grind from 5000 to 10,000 bushels of grain, with proper usage. Besides the set of grinders on the mill, an extra set will be sent with each mill sold, making it equal to two common mills. When found necessary to change the grinders, almost any one can do it in twenty minutes.

As a proof of the estimation in which the Young America is held in Ohio, we would state that during the fall, winter and spring of 1855–56, 2600 were made and sold in Ohio, at Zanesville, by Douglas, Smith & Co., Hall & Allen of Mansfield, Eldridge & Faucener of Cincinnati, and at New Philadelphia.

At this time there is not less than 200 being sold every week in Ohio, at retail, besides those sold in other states east and west.

The above mill is being manufactured and can be furnished at wholesale and retail, from the Wisconsin Iron Works of A. J. Langworthy, on the water power in the City of Milwaukee. The mill is warranted perfect in all respects.

Dealers in agricultural implements and machines, of the State of Wisconsin, are requested to call and make arrangements for the sale of the above mills, to whom a liberal discount will be made on the retail price; also any others wishing to engage in a profitable business. Would call attention to good men who have teams, in any part of the State, who would peddle the mills through the country. Four can be taken on a wagon at a time—liberal arrangements would be made with them.

The above mill will grind from 8 to 20 bushels of grain per hour, in accordance with the kind and condition of the grain.

Price of the Young America $35—ready to hitch to and warranted to grind as fast as any mill of the same size when properly worked, and with less draft.

For further information address or see the undersigned, sole owner of the right to the State of Wisconsin.

For sale by W. HARROLD SMITH.

HEALTHY BREAD!
MADE WITH
JAS. PYLE'S DIETETIC SALERATUS.

THIS article is deprived of the caustic impurities, so well known to exist in all common Saleratus, thereby dealing destruction to thousands not aware of its injurious qualities. So destructive is it to the constitution of children, that where they and the parents have been regular consumers of Saleratus Bread, there is but little chance for recovery from infantile or contagious diseases. In this way thousands meet with premature Death—the sad reality of which is forcibly demonstrated, in the mortality among children, in the New England and other States, where warm bread and cake is so generally consumed.

JAS. PYLE'S DIETETIC SALERATUS

Is of vast importance to the public, and is rapidly coming into use. Being deprived of all caustic impurities, it is quite as harmless as flour. In point of economy it excels having powerful raising properties, and is altogether superior to Baking Soda. No intelligent lady will dispute this after trying it.

It is packed in pound packages, each bearing the name of James Pyle, without which it is not genuine. For sale by John Furlong & Co., O. A. Folsom, Chapin & Gregory, Milwaukee; Ethridge, Shoemaker & Co., Madison, E. H. Jones & Bro., Fond du Lac, Wis.; A. Gross & Coag, Chicago.

MEDICAL.

R. R. R.

THE MEDICAL TRINITY.

EACH of Radway's Three Remedies possesses special curative powers over certain diseases; and when either the Ready Relief, Renovating Resolvent, or the Regulators, are used for the certain class of diseases they are specially designed for, the system undergoes a rapid transformation from its diseased condition to a healthy and happy state of existence.

RADWAY'S READY RELIEF.

This remedy is to be used externally, or taken internally, for all pains, aches and infirmities. In a few minutes it stops the most torturing pains, subdues all inflammations and cures the worst cases of *Rheumatism, Lumbago, Gout, Paralysis, Neuralgia, Tooth-ache, Burns, Sprains, Strains, &c.* It restores the *lame, infirm and crippled* to soundness and vigor. It is likewise a certain cure and preventative for *Fever and Ague, Scarlet Fever, Smallpox, Croup Hoarseness, Colds and Influenza.* Whenever you feel any unpleasant or painful symptoms, take a dose of Radway's Ready Relief, or apply it to the parts where the pain is located; in a short time you will enjoy ease and comfort.

Bear in mind, there is no pain so severe but that Radway's ready relief will stop, and no system so crippled with infirmities but that the R. R. R. remedies will restore to sound and vigorous health.

RADWAY'S REGULATORS.

The discovery of these wonderful pills establishes a new era in purgatives, and a new principle in the science of medicine. In taking these pills no griping pains or sickness at stomach is experienced; they operate naturally, leaving the bowels, liver and other organs in a natural condition.

They insure those who take them a good appetite and a healthy digestion.

Each pill that is taken gives new life to the blood; they purify it, take from it all impure deposits and equalise its circulation.

One or two doses of Radway's Regulators will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Billiousness, Melancholy, and will cure all organic diseases, either in man or woman. Ladies troubled with irregularities or weakening discharges, may rely upon a prompt cure and regular periods if Radway's Regulators are taken.

PICTURE OF HEALTH AND BEAUTY.

A few doses of Radway's Regulators will insure a clear, fair, pure and healthy skin and a rosy complexion. They give to those troubled with weak dull, yellow eyes, a clear and brilliant appearance. Radway's pills give a natural beauty to the face, eyes and head; and the use of the Ready Relief as a wash for the teeth and an aromatic for the breath, will change the most disgusting foul breath to sweetness, and the blackest teeth to Parian whiteness.

One to ten of Radway's Regulators is a dose; they never do injury, but always do good.

CONGESTIVE DISEASES, APOPLEXY, TERMINATION OF BLOOD TO THE HEAD.

Persons of full blooded plethoric habits are more subject to congestive diseases, headaches, rush of blood to the head, than those of a lean habit; bleeding in these cases is highly detrimental, nor does this practice lessen the danger; the difficulty is not caused by too much blood, but by its disturbed circulation, and the irregular action of the *heart.* Now a dose of Radway's Regulators will correct all these difficulties—they will correct the action of the heart, liver, and all other organs to a natural and regular action, and will immediately *equalise* the circulation of the blood. Mere purging in these cases will only aggravate the disease.

Radway's Regulators not only *regulates* the bowels, by which all diseased and injurious matter is purged from *the body,* but they control the whole system, and, hence, each and every organ, the heart, brain, liver, nerves, bowels, skin, pancreas, bladder, kidneys, stomach, lungs, throat, blood, and every tissue in the whole organization, to a healthy and regular action. They infuse new life throughout the whole system; their action is not confined to any local part of the stomach, like common pills, but they search out diseased action wherever it may be hidden, and expel all diseased humors and deposits from the body. In a few hours after taking a dose of these life creating pills you feel refreshed and invigorated from head to foot. We have known the dispirited and melancholy take a dose of Radway's Regulators *just to feel good—they make one feel so happy.*

RADWAY'S RENOVATING RESOLVENT.

Cures Humors, Salt Rheum, Scrofula, Ulcers, Nodes, Tumors, Fever Sores, Skin Eruptions, Blotches, Bronchitis, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Apoplexy, &c., and all constitutional and chronic diseases, either inherited by hereditary transmission, or inoculated by exposure or otherwise.

There is no remedy in the world that will work such miraculous cures in old diseases as Radway's Resolvent. It changes the whole human body—reproduces new and healthy blood.

Bleeding from the lungs—Radway's Renovating Resolvent will, in a few minutes, check Hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or pus streaked with blood, Radway's Resolvent will soon remove the difficulty.

Sarah Hammond, of 193 East Thirty-Second st. had a bad cough for two years, she coughed up sometimes half a pint of blood during the night. She was cured in seven days by the Relief and Resolvent.

A sore leg of 21 years cured in three weeks, by Radway's Relief. Ms. T. H. Kilgo, a merchant of long-standing in Dahlonega, Ga., says:—"That a gentleman who, for 21 years, had been afflicted with a sore leg, that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent and Regulators."

GENERAL COMPLAINTS.

If you catch a sudden cold, get a sore throat, or become afflicted with influenza, a dose of Radway's Regulators, and an application of the Ready Relief, will free you from all pain and uneasiness. In a few minutes after the Relief is applied no soreness will trouble you. If afflicted with headache, either nervous or from foul stomach, Radway's Ready Relief, and a dose of Regulators, will remove all pain from the head, and restore health to the nervous and afflicted.

Radway's Ready Relief and Regulators always cures *Dyspepsia* in its most distressing forms, and nervousness with all its horrors.

WHOOPING COUGH.—Thousands of cases of Whooping Cough have been cured in a few days by the Resolvent and Relief, and if the Whooping Cough is prevalent in the neighborhood, those who take half a teaspoonful of Ready Relief in a little water, once or twice per day, will never catch it. Radway's Relief destroys the infection of the "Whooping Cough."

TOBACCO CHEWERS.—Those who have become reduced by the effect of tobacco, or the indulgence in spirituous liquors, who feel the horrors of incapacity, weakness, sterility, and the *infirmities* which a fast and intemperate, luxurious and lustful course of life inflicts upon its victims, will find relief from these horrors, and sure restoration to health, strength and vigor, by the use of Radway's Relief, Regulators and Resolvent.

BOERHAVE'S HOLLAND BITTERS

JE MAINTIENDRAI

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on their strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
